EDUCATION

2012	Ph.D., Anthropology, University of California, Los Angeles
2006	M.A., Anthropology, University of California, Los Angeles
2003	B.A., Anthropology and Psychology, University of California, Berkeley

EMPLOYMENT

2012 –	Research Fellow, Department of Population Health
Present	London School of Hygiene and Tropical Medicine

PUBLICATIONS

Moya, C. and Scelza, B. (under review) The effect of recent ethnogenesis and migration histories on perceptions of ethnic group stability. *Journal of Cognition and Culture*.

Moya, C., Boyd, R. and Henrich, J. (under review) Reasoning about cultural and genetic transmission: Developmental and cross-cultural evidence from Peru, Fiji and the US on how people make inferences about trait and identity transmission. *Topics in Cognitive Science*.

Moya, C. and Boyd, R. (under review) Different ethnic phenomena can correspond to distinct boundaries: Parsing functionally distinct processes in the Peruvian Altiplano. *Human Nature*.

Moya, C. (2013) Evolved biases for ethnolinguistic categorization: Developmental evidence from the Peruvian altiplano. *Evolution and Human Behavior*. 34(4): 265-272.

Perreault, C., **Moya, C.** and Boyd, R. (2012) A Bayesian approach to the evolution of social learning. *Evolution and Human Behavior*. 33(5):449-459.

Fessler, D.M.T. and **Moya, C.** (2009) Crying. In K. Scherer and D. Sander (Eds.), *The Oxford Companion to the Affective Sciences* (pp.105-106). Oxford: Oxford University Press.

Moya, C. (2009) Review of Noble David Cook's *People of the Volcano: Andean Counterpoint in the Colca Valley of Peru*. *The Historian*. 71(1):102-103.

MANUSCRIPTS

Moya, C. and Boyd, R. Whence ethnic psychology? An evolutionary functionalist reframing of the debate. *(to be submitted to Behavioral and Brain Sciences)*

Moya, C., Goodman, A., Heshmati, A., Sear, R. & Koupil, I. Pathways and historical changes in family background influences on age at first birth in 20th century Sweden. *(to be submitted to Demography)*

Moya, C. & Sear, R. Intergenerational conflicts and father absence effects. *(to be submitted to American Journal of Human Biology)*

Moya, C. & Sear R. A theoretical framework for parsing mechanisms of kin influence on reproductive outcomes. *(to be submitted to Evolutionary Anthropology)*

Snopkowski, K., **Moya, C.** & Sear, R. Intergenerational Conflict: Does ethnic-group postnuptial residence predict age at menopause? *(to be submitted to PNAS)*

Moya, C., Goodman, A., Heshmati, A., Sear, R. & Koupil, I. Effects of parental availability on reproductive decisions in 20th century Sweden.

IN PREPARATION (analysis in progress)

Sear, R., **Moya, C.**, and Mathews, P. Kin influences on fertility: A review of the literature.

Moya, C., Sear, R., Borgerhoff Mulder, M., Colleran, H., Gervais, M., Gibson, M., Goodman, A., Gurven, M., Henrich, J., Hooper, P., Kaplan, H., Kline, M., Koster, J., Koupil, I., Kramer, K., Leonetti, D., Mattison, S., Scelza, B., Shenk, M., Snopkowski, K., Stieglitz, J., von Rueden, C., Ziker, J., Bowles, S. Parental effects on age at first birth from a cross-cultural perspective.

Moya, C., Snopkowski, K. and Sear, R. Conflicts of interest in reproductive decision making: Testing assumptions about evolved sex differences in optimal fertility.

Moya, C., Fessler, D., Henrich, J., Zhao, W., Barrett, C., Bolyanatz, A., Davis, H., Gurven, M., Kanovsky, M., Kushnick, G., Pisor, A., Scelza, B., von Rueden, C., Laurence, S. Cultural variation in punishment equilibria.

FELLOWSHIPS AND GRANTS

2013	British Society for Population Studies International Travel Grant
2011-12	UCLA Dissertation Year Fellowship
2011	Quinn Exchange Fellowship <i>Psychology Dept., University of British Columbia - Vancouver</i>

- 2010 International Cognition and Culture Institute Mini-Grant
- 2009-2011 National Institutes of Health Challenge Grant:
Cultural Learning and Human Adaptation
with Michelle Kline, Robert Boyd, and Joseph Henrich
- 2007 Latin American Center Tinker Field Research Grant
- 2007, 2008 Foreign Language and Area Studies Fellowship
- 2006, 2008 UCLA Anthropology Research Grant
- 2004-2007 NSF Graduate Research Fellowship

INVITED TALKS

- 2013 Adaptations for reasoning about ethnic groups: Evidence from the Peruvian Altiplano
Anthropology Department, University College London
- 2012 Have humans evolved adaptations for reasoning about ethnic groups?
Archaeology and Anthropology Research Society, University of Bristol
- 2012 How quickly can migrants become group members? Perceptions of identity stability across cultural contexts.
Population Seminar, London School of Economics
- 2011 La evolución de categorización social. (The evolution of social categorization).
Anthropology Department, National University of the Altiplano (UNA), Puno, Peru
- 2009 El desarrollo de categorización social en un contexto trilingüe. (Development of social categorization in a trilingual context).
Symposium on Andean Linguistics and Education, National University of the Altiplano (UNA), Puno, Peru
- 2008 Cinco conceptos erróneos acerca de la antropología evolutiva, y un poco sobre los orígenes humanos. (Five misconceptions about evolutionary anthropology, and a bit about human origins).
Instituto de Lengua y Cultura Aymara, La Paz, Bolivia.
- 2007 Human social evolution and its implications for how and why humans form stereotypes about others.
Exploring Darwin Conference, Palomar College, San Marcos, California.
- 2006 Evolutionary and Associationist approaches to inferential reasoning about social categories.
Culture Evolution Research Group, Stockholm University, Stockholm, Sweden.
- 2006 A Functionalist Approach to Guilt: How likelihood of a transgression being discovered affects individuals' expression of guilt.
International Society for Research on Emotions meeting, Atlanta, Georgia.

CONFERENCE PRESENTATIONS

- 2013 Cross-cultural tests of intergenerational conflicts of interest in reproductive timing,
London Evolutionary Research Network, London, UK
- 2013 Intergenerational conflicts of interest in reproductive decision making - *Evolutionary*

- Demography Society Meeting, Max-Planck Odense Center, Denmark*
- 2013 Modelling conflicts of interest in reproductive decision-making. *IUSSP International Population Conference, Busan, Korea*
- 2013 Kin influences on fertility: a theoretical framework tested with a review of the literature. *IUSSP International Population Conference, Busan, Korea*
- 2013 Inter-generational conflicts over reproductive decisions: A cross-cultural examination of parental presence effects on age at first birth. *Human Behavior and Evolution Society Meeting, Miami, Florida.*
- 2013 The association of social group essentialism and intergroup prejudice: A case study from the Himba of Namibia. *European Human Behaviour and Evolution Association, Amsterdam, Netherlands.*
- 2012 The evolution of social group essentialism and intergroup prejudice. *London Evolutionary Research Network, London, UK.*
- 2011 Evolved priors for ethnolinguistic categorization. *American Anthropological Association, Montreal, Canada.*
- 2011 Ethnolinguistic cues promote inductive inference: Evidence from the Peruvian Altiplano. *Human Behavior and Evolution Society Meeting, Montpellier, France.*
- 2010 Folk sociology explains ethnic reasoning better than folkbiology does. *American Anthropological Association, New Orleans, Louisiana.*
- 2010 Perceptions of trait and identity transmission: Cross-cultural and developmental tests of universal folk sociology. *Human Behavior and Evolution Society Meeting, Eugene, Oregon.*
- 2009 Priors for language based predictions: Evidence from the Peruvian Altiplano. *UCLA-UCSB Human Nature and Society / Evolution, Mind, Behavior Conference*
- 2009 Development of inferences based on ethnic and occupational categories. *Human Behavior and Evolution Society meeting, Fullerton, California.*
- 2008 Perceptions of social categories' ingroup homogeneity. *Human Behavior and Evolution Society meeting, Kyoto, Japan.*
- 2007 Differential inductive reasoning about social categories and their members' traits. *Human Behavior and Evolution Society meeting, Williamsburg, Virginia.*
- 2006 Social Group Essentialism: Inferential reasoning about ethnic, coalitional and occupational categories. *Human Behavior and Evolution Society meeting, Philadelphia, Pennsylvania.*
- 2005 Disentangling Coalitional and Ethnic Psychology. *Human Behavior and Evolution Society meeting, Austin, Texas.*

TEACHING & ADVISING

Courses

Research Design and Analysis, LSHTM, Practicals Facilitator

Statistics for Epidemiology & Population Health, LSHTM, Practicals Facilitator

Introduction to Biological Anthropology, UCLA, Teaching Assistant

Evolution of Human Sexual Behavior, UCLA, Teaching Assistant & Reader

Primate Behavioral Ecology, UCLA, Reader

Advising

Sandra Virgo, Dept. Population Health, LSHTM, 2ndary PhD supervisor

Emily Sullivan, Reproductive and Sexual Health Degree, LSHTM, MA tutor

FIELDWORK EXPERIENCE

2007-2011 Six seasons of ethnographic and psychological research, Huatasani, Peru

2003 Primatological fieldwork on wild howlers, Bocas del Toro, Panama

2002 Archaeological and ethnoarchaeological fieldwork on agricultural subsistence strategies, Khonko Wankane and Chiripa, Bolivia

WORKSHOPS

2013 Network Structure, Political Hierarchy, & Economic Inequality – Santa Fe Institute, NM, US

2006 Summer Institute on Bounded Rationality in Psychology & Economics. Max Planck Institute for Human Development - Center for Adaptive Behavior and Cognition. Berlin, Germany

ACADEMIC SERVICE

Peer reviewer

Evolution and Human Behavior

Human Nature

Topics in Cognitive Science

Current Directions in Psychological Science

Evolutionary Psychology

Demographic Research

Applied Evolutionary Anthropology (book chapter)

University of Chicago Press (book)

Other

IUSSP Conference Report for the *British Society for Population Studies Newsletter*

DEPARTMENTAL SERVICE

Departmental Research Seminar organizer, LSHTM Population Health, 2012 – present
Evolutionary Demography Workgroup organizer, LSHTM, 2012- present
Faculty Search Committee student representative, UCLA Anthropology, 2007
UCLA – UCSB Human Nature Conference organizer, 2007
